SOFTWARE ENGINEER

Full Stack Software Engineer with a background in hospitality, event, and project management. Brings training as an artist to solve problems creatively and thoughtfully. Proven ability to multitask, meet deadlines, and work under pressure while ensuring accuracy and consistency. Attentive to detail, passionate about building relationships, and utterly committed to seeking new challenges. Committee member and volunteer in several local organizations with a focus on sustainability.

TECHNOLOGIES

Ruby, Ruby on Rails, Javascript, React, MongoDB, Express, Node, Graphql, CSS, HTML, GitHub, Salesforce, Amadeus

PROJECTS

Breck Trail Events - Github
Volunteer events booking site for partnering organizations seeking volunteers using MERN stack with Graphql
- Administrative & User authentication, events are created & owned by Admin user, booked & canceled by User
- Allows organizations to consolidate and share volunteer outreach, and for volunteers to have one point of contact

A Stitch In Time - Github | Site
Mending / Repair Tracking App built with React
- To-do list, users can add items, edit current repairs, and delete items upon completion of mending
- Pursues zero-waste ideals of "reduce" and "reuse" by giving broken items new life

Up In Smoke - Github
Conceptual Art Hackathon Collaboration using JavaScript, CSS, and HTML
- Uses parallax scroll effect & smoke animation to create movement within still images
- "Pollution Test" 1973 photo series by Thomas Robinson; audio and lyrics to "Althea" by Grateful Dead

EXPERIENCE

VAIL RESORTS, Summit County, CO
Conference Services Manager	*2016-2020*
Assistant Banquet Manager	*2014-2016*
Senior Conference Services Coordinator & Assistant	*2012-2014*

- Planned and serviced 7 individual properties with 4 general managers and 3 operations teams
- Customized client facing operational communication documents (resumes, BEOs, diagrams) while acting as a liaison between meeting professionals and operational departments
- Executed contract details while collaborating with the sales department to ensure seamless client communication
- Provided accurate forecasting and surpassed ever-changing quarterly revenue goals
- Elevated the event experiences for Vail Resorts' Executive Committee's meetings and ski trips
- Upsold meetings and social events while executing client requests, resulting in meeting scope survey scores averaging in the 90th percentile
- Managed operational team of 30+, interviewed, onboarded, trained/coached team members, high retention rates
- Oversaw guest billing and settled payment disputes, resulting in timely account settlements
- Committee Member – Vail Resorts' Epic Promise, Sustainability Team 'Commitment to Zero'

GREAT WESTERN LODGING, Breckenridge, CO, **Lead Sales**   2007-2010
